AIC Dashboard Updates

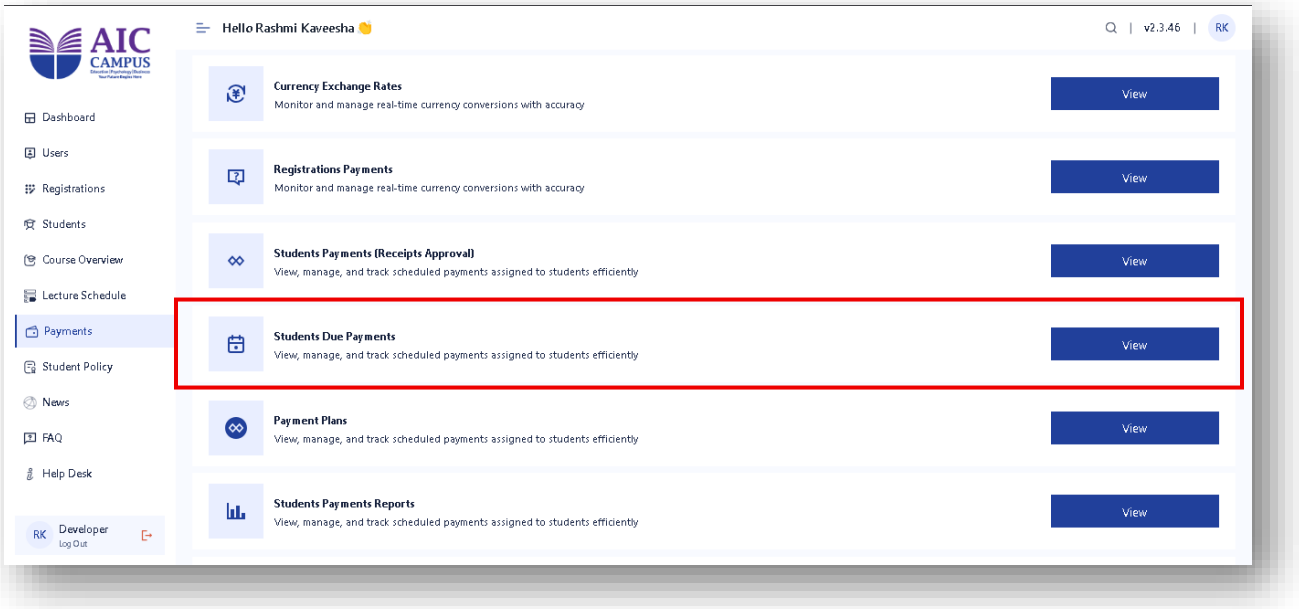

Currency Exchange Rates Module Updates

- Add **Filter** options:
    - From Date
    - To Date
- Add an **Export Report** option to export the filtered Currency Exchange Rates data.

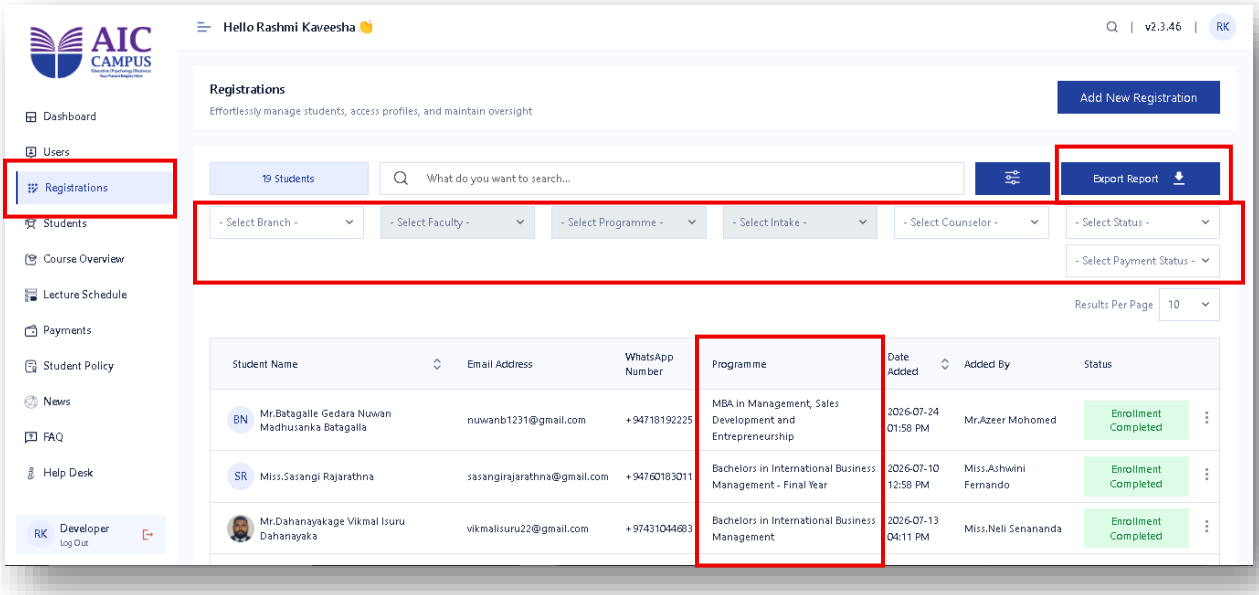

Due Payments Module Updates

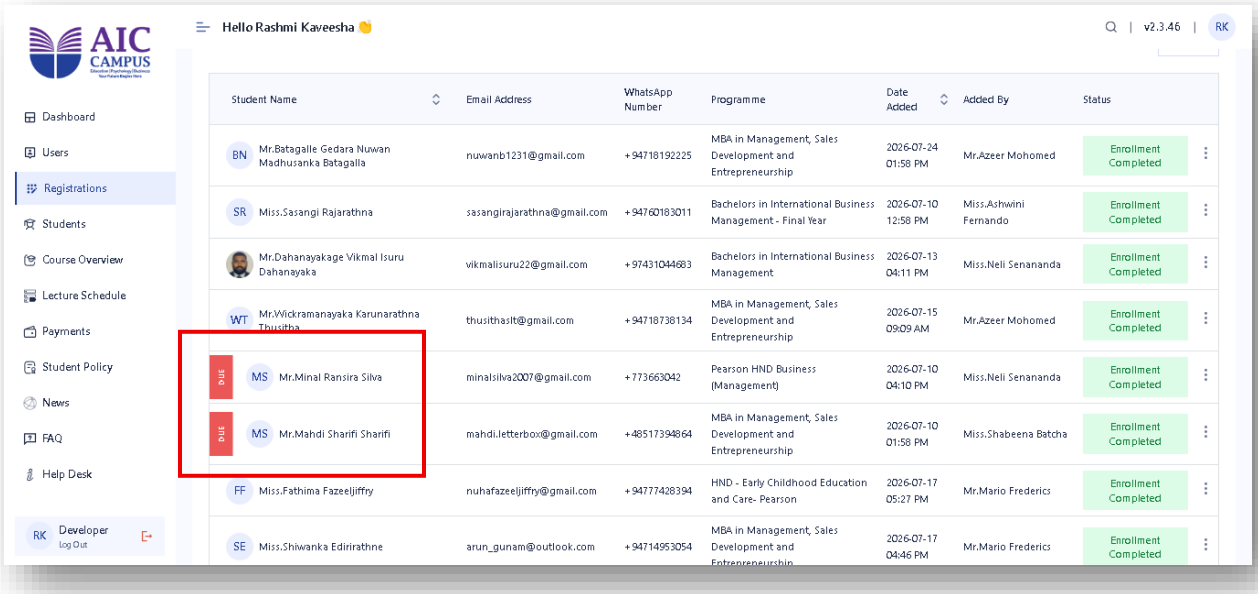

- Load all **Due Payments**.
- Add the following filter options:
    - Branch
    - Faculty
    - Programme
    - Intake

Registration Module Updates

- Rename the **Inquiries** tab to **Registrations**.
- Add a **Programme** column to the **Registrations** table.
- Highlight students with **overdue payments** in the Registrations table.
- Add the following filters to the Registrations page:
    - Branch
    - Faculty
    - Programme
    - Intake
    - Registration Status
    - Payment Status

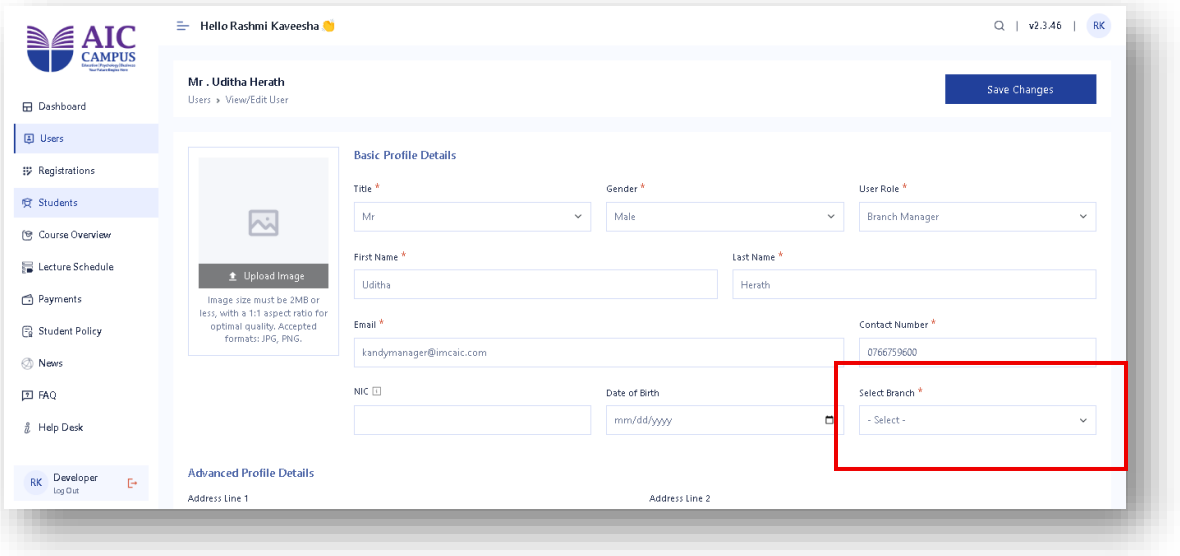

Branch Manager Role Updates

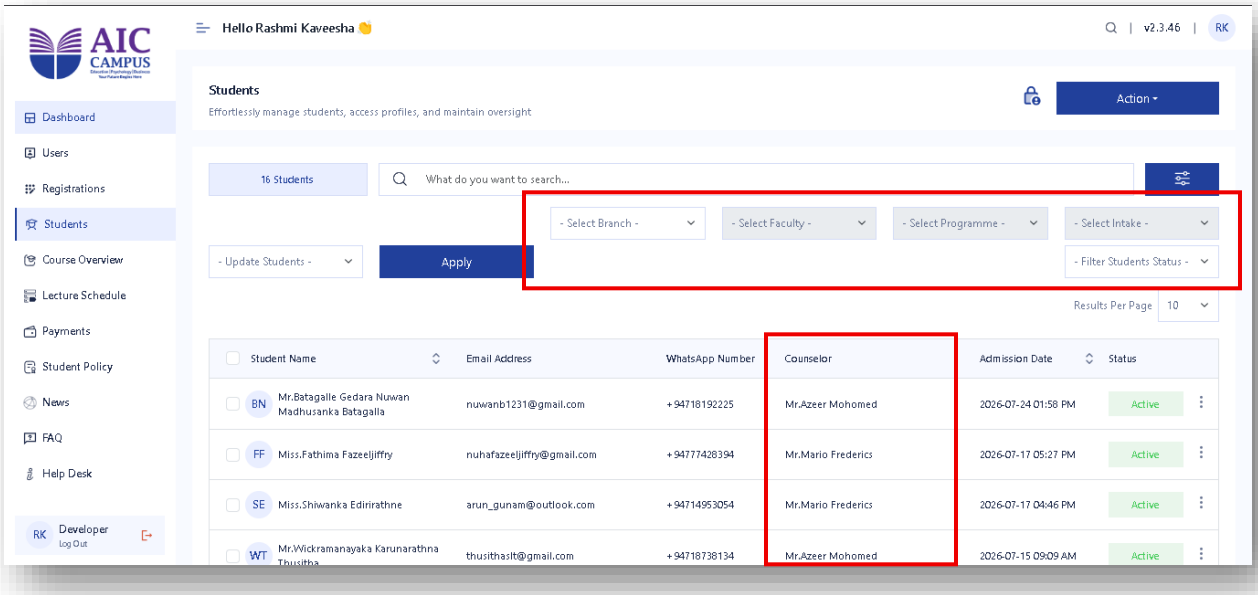

- When creating a user with the **Branch Manager** role, require the user to select the manager's assigned **Branch**.
- Add an **Edit** option for existing Branch Manager users to assign or update their branch.

- Branch Managers should only be able to view **Registrations** that belong to their assigned branch and their added.

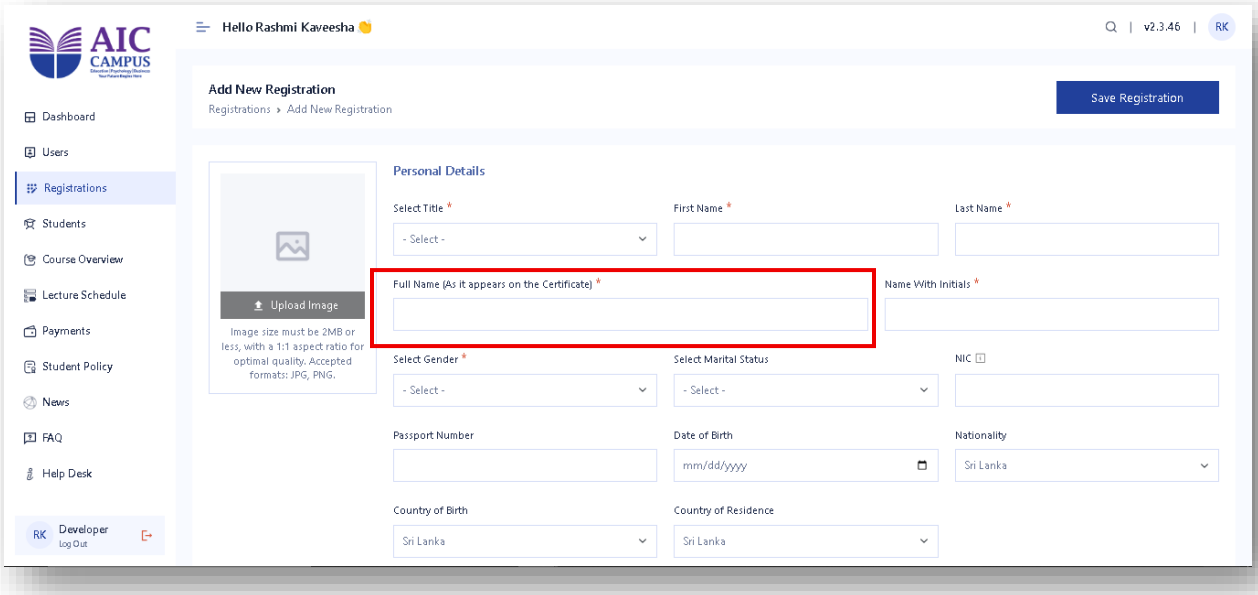

Students Module Updates

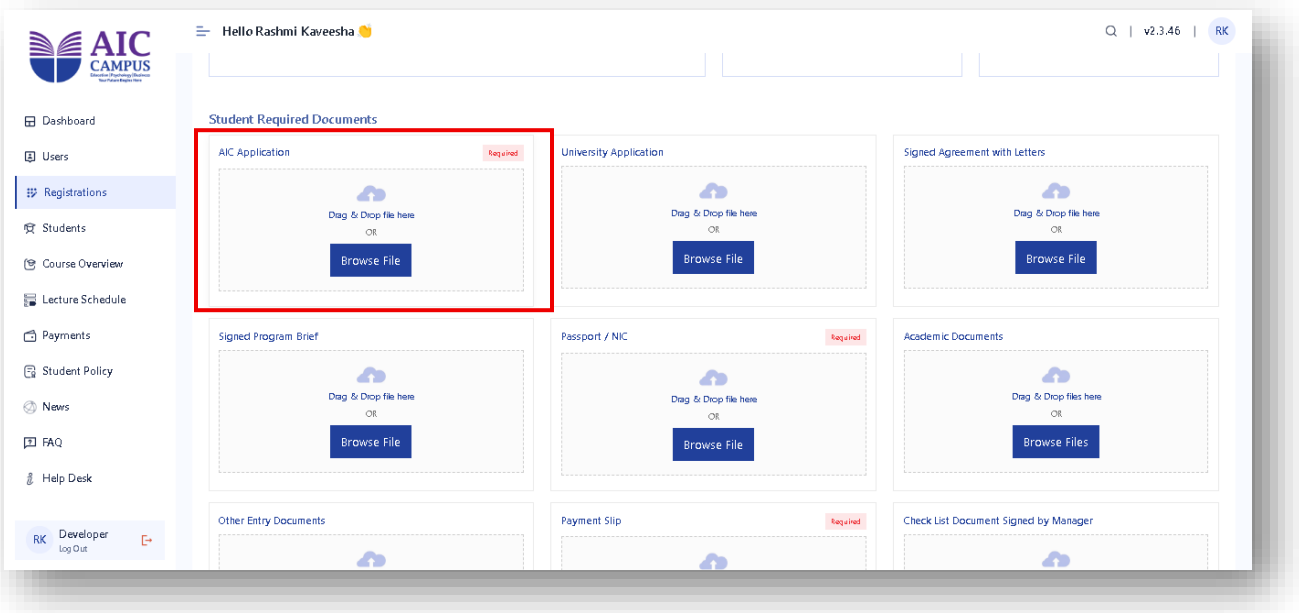

- Add a **Counselor** column to the **Students** table.
- Add the following filters to the Students page:
    - Branch
    - Faculty
    - Programme
    - Intake
    - Active Status

Student Form Updates

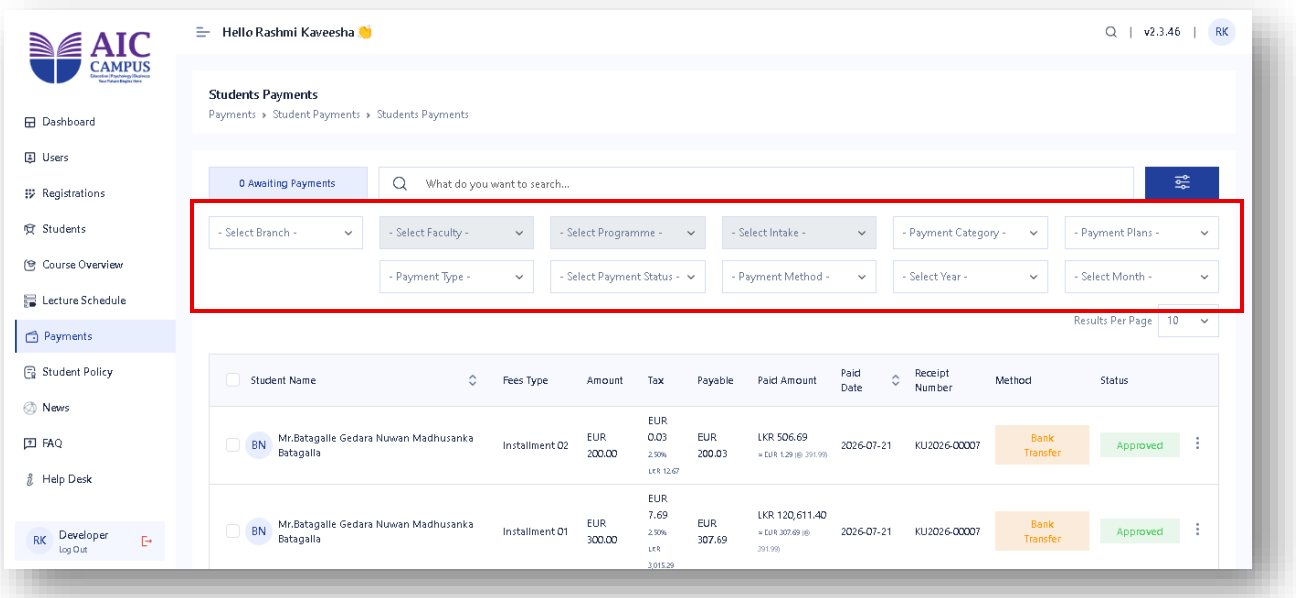

- Update the **Full Name** field label to:
    - **Full Name (As it appears on the Certificate)**
- Mark the **AIC Application** document as a **required document** during student registration.

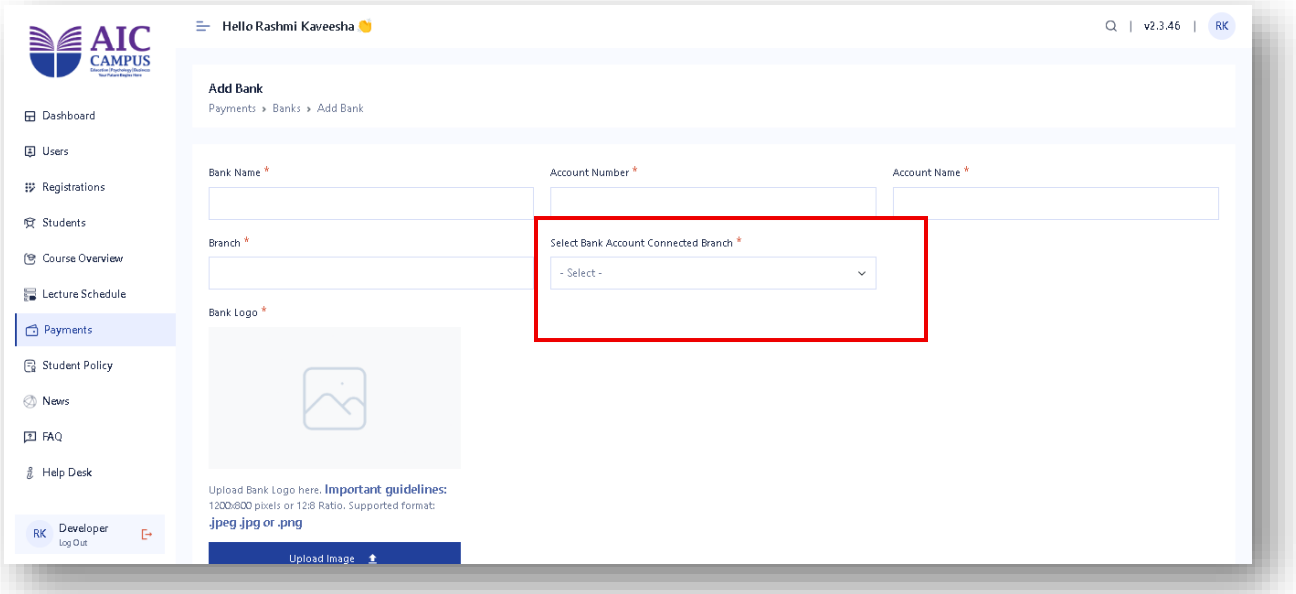

Student Payments Module Updates

- Add the following filter options to the **Student Payments** page:
    - Branch
    - Faculty
    - Programme
    - Intake
    - Payment Category
    - Payment Type
    - Payment Status
    - Year
    - Month

Bank Account Management Updates

- Add support for **branch-wise bank accounts**.
- Path: **Payments → Actions → Manage Banks → Add Bank**.
- Each bank account should be assigned to a specific **Branch**, allowing users to select only the bank accounts associated with their branch during payment processing.

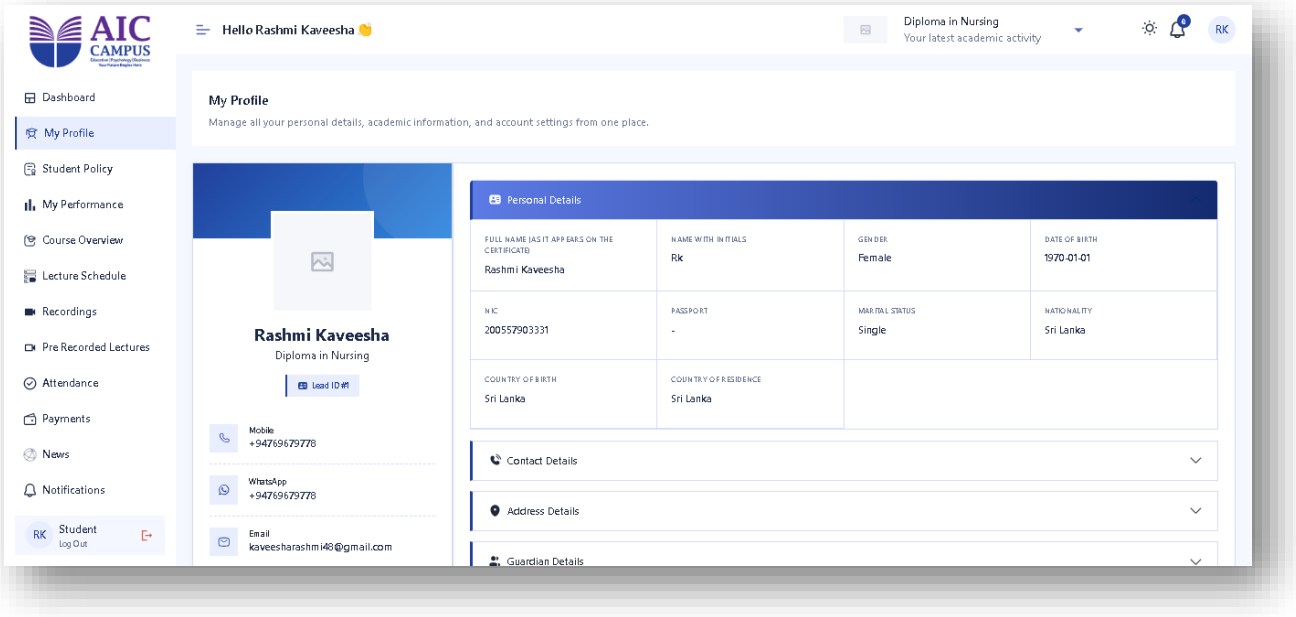

Email Notification Updates

- Update and improve the formatting of the **Student Welcome Email**.
- Send the **Student Welcome Email** with the assigned **Counselor** in **CC**.
- When sending the **Enrollment Confirmation** email to the **Academic Team**, include the assigned **Counselor** in **CC** as well.

AIC Portal Updates

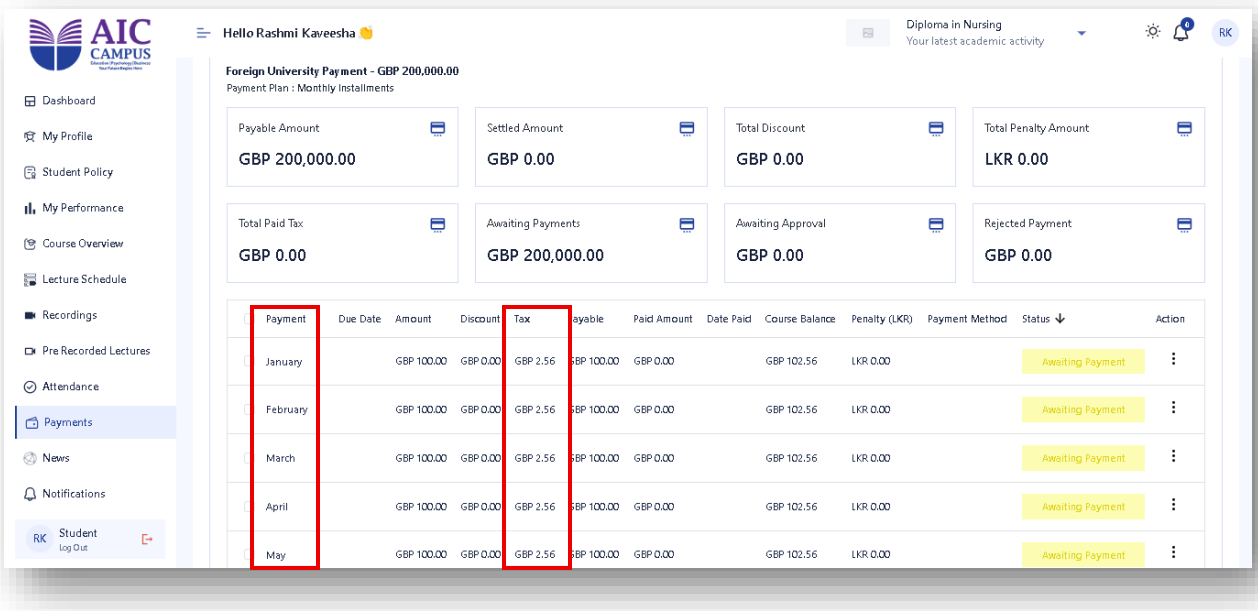

Student My Profile Module Updates

- Update the My Profile page with a new design and improved user interface.
- Make all profile details view-only (students cannot edit their information).
- Email address and mobile number editing options are currently under development and will be enabled once completed.

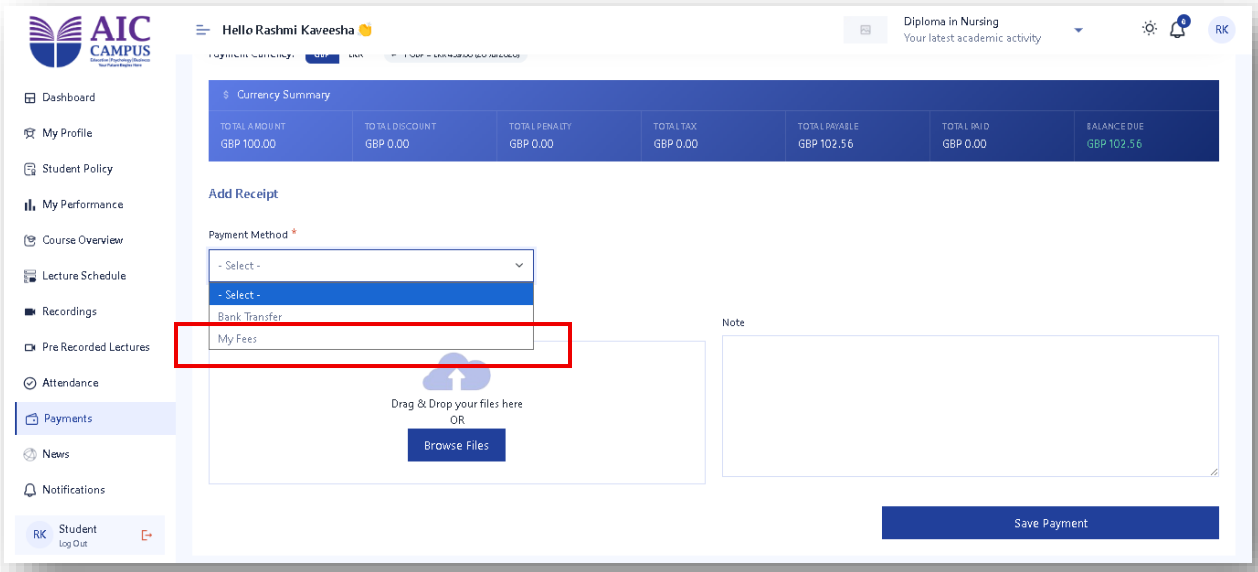

Student Payments Module Updates

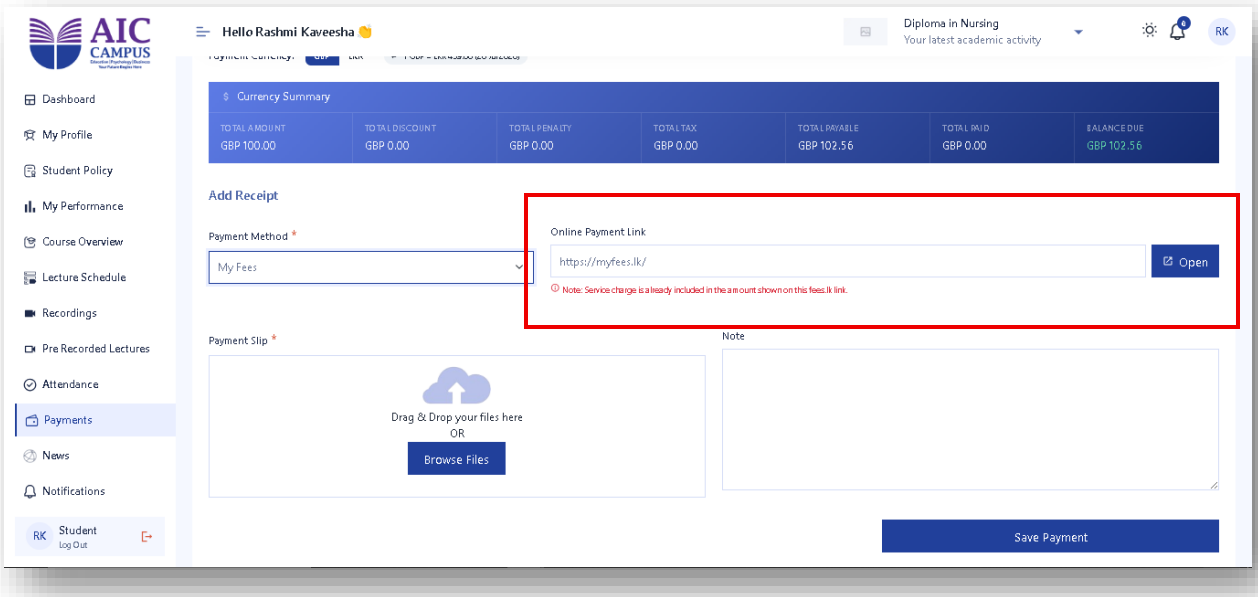

- Update the **Student Payments** table column order as required.
- Update and display the **Tax** column in the payment details.

Student Payment Updates

- Add a **"My Fees"** option when selecting a payment to be paid.
- When selecting **Bank Transfer** as the payment method:
    - Load the bank account details based on the student's assigned **Branch**.
    - Add a **Bank Account Selector** option to select the relevant branch bank account.
